The chair of trustees and chair of each LGB will be responsible for:

- Notifying trustees in advance that the meeting will be conducted virtually.
- Considering any objections to meetings taking place virtually.
- Deciding whether a recording is appropriate during the virtual meeting, and notifying members of the board that a recording is taking place, prior to the meeting.
- Ensuring that recordings of any meetings are properly dealt with in line with the school's Data Protection Policy.

### Trustees and local governors will:

- Be aware of, and act in accordance with, the procedures outlined in this document.
- Act in accordance with the Board of Trustees Code of Conduct whilst in virtual board meetings.
- Not take covert recordings of meetings.
- Notify the chair of any objections they have to the meeting being held virtually.
- Notify the chair of any objections they may have to a recording being made.
- Be respectful of the rights of individuals who do not wish to be recorded.

In the absence of either the chair or the governance professional, their responsibilities, as outlined in this procedure, will be carried out by a designated member of the board of trustees.

# 3. Conducting remote meetings

Any trustee <u>or local governor</u> will be able to participate in meetings of the trustees <u>or LGB</u> by telephone or video conference provided that:

- They have given notice of their intention to do so at least 48 hours before the scheduled meeting.
- They have detailed the telephone number they will be contactable on and/or appropriate details of the video conference suite from which they will be taking part at the time of the meeting, at least 48 hours prior to the meeting.
- They have access to the appropriate equipment.

If a remote attendee is not available for the any reason, the meeting will go ahead without the participation of the remote attendee, so long as the meeting is otherwise quorate.

The attendance of remote attendees will be recorded in the minutes of the meeting and on the published meeting attendance record.

If a vote takes place during the meeting, the remote attendee will be entitled to participate in the vote as usual. In an open vote, the remote attendee will be asked directly what their vote is. In a closed vote, the governance professional will ensure the remote attendee is asked to confirm their vote in a confidential manner. For example, the conference video and speakers will be turned off whilst the remote attendee casts their vote to the governance professional.

In the event of a trustee <u>or local governor</u> being unable to confirm their closed vote remotely, they will be required to vote publicly or abstain.

The vote of the remote attendee will not be recorded separately in the minutes of the meeting.

# 4. Chair's emergency powers

In the event of unexpected or unavoidable circumstances, where it is unsafe for trustees or local governors to meet face-to-face and alternative arrangements cannot be made, the chair is permitted to make the decision for a remote meeting to be held.

# 5. Remote meeting processes

Meetings of trustees or local governors will be convened by the governance professional.

Each trustee <u>or local governor</u> will be given at least seven clear days' notice before the date of a meeting. They will receive:

- Notice in writing, signed by the governance professional and sent to each trustee or local governor at their provided address from meeting to meeting.
- A copy of the agenda for the meeting.

If there are matters which require urgent consideration, it will be sufficient if the written notice of the meeting and the copy of the agenda are given within shorter notice periods.

The chair will be appointed from the membership of the meeting attendees, excluding any member of staff who works for the school.

The meeting will be clerked in the same way as any other meeting of the board. If the governance professional is unavailable, normal procedures will be followed to ensure their duties are fulfilled in their absence. Members of staff who work for the trust will not be appointed in the interim to clerk meetings.

Any existing conflict of interest pertaining to the agenda will be declared at the start of the meeting. If a conflict of interest prevents an attendee from participating in any part of the meeting, the governance professional will ensure the attendee ceases participation from the call or conference until the board has finished discussing/voting. Minutes will be agreed by all attendees and signed by the chair at the next meeting. If the next meeting is held remotely, the minutes will be agreed at that meeting and signed by the chair outside of the meeting.

# 6. [Updated] Confidentiality, security and data protection

Full consideration will be given to the privacy and security features of the chosen remote meeting platform and software will not be used if the security provision is insufficient.

The meeting shall not be recorded on any digital device or programme used by the governance professional, any trustee <u>or local governor</u> unless:

- The intention to record the meeting is made clear to all attendees prior to the recording being made, with the opportunity to express any objections.
- All attendees provide consent to the recording taking place.
- It is agreed that recording the meeting will assist with the accuracy of creating a written record of the meeting.

If attendees agree to the recording of the meeting, the following must apply:

- At the meeting, before recording is commenced, the chair will notify all attendees that recording will take place.
- Attendees who are not present at the start of the meeting will be notified upon their arrival that a recording is being made.

[Updated] Within the minutes of a meeting, details of the following will be noted:

- Any objections to the meeting being recorded.
- The chair's consideration and final decision regarding the commencement of recording.
- **[Updated]** Any device used to record a meeting, whether it is school-owned or personally owned, will be used in line with the school's Staff ICT and Electronic Devices Policy.

Whether attendees other than the governance professional are permitted to make recordings is at the discretion of the board. When this decision is being made, the purpose of the recording will be taken into account.

All actions taken by the board, including the creation, storage, retention and disposal of recordings, will be in line with the provisions of the Data Protection Act 2018, UK GDPR and Freedom of Information Act 2000, where relevant.

Where a confidential item is on the agenda, attendees will be informed of this at the beginning of the meeting, prior to the commencement of recording.

Confidential items will only be included within a recording of a meeting if the purpose and intention of the recording of the item is clear and justifiable.

# 7. Monitoring and review

The effectiveness of this procedure will be monitored by the chair and governance professional.

Any amendments to this procedure will be agreed upon by all members of board of trustees, discussing and addressing any objections which may arise.

This policy is reviewed **annually** by the whole board of trustees.

The next review date for this policy is **September 2024**.
